Is your current billing team underperforming? Is your practice struggling to collect what it should? Benchmark Systems billing team will get you back on track to collect every dollar you've earned.

Benchmark RCM

- Practice and Revenue Cycle Management experts for over 40 years
- Red and yellow thresholds aligned with the goals of the customer
- Claims submission process has a 98% clean claims rate
- Consulting services and frequent performance reviews to find areas of lost revenue
- Boosting efficiency with all front and back office services
- Benchmark RCM team reviews, reports, and consults for each report

Benchmark Systems offers a 360-degree view solution with our Practice Management (PM) and RCM services. We work to help you accomplish more in less time allowing your ultimate focus to be on providing the best care possible for your patients.

Why Benchmark RCM?

“I have had multiple services fail me and my company lost a lot of revenue. Benchmark Systems was the first competent, highly qualified billing service that I have worked with.”
